Hi Tartleet,

Welcome to the student athletics association of Wageningen!

Tartlétos has been the association for all athletes, whether beginner or experienced, since 1974.

Tartlétos has 4 trainers: Tonnie Dirks, who trains the middle- and long-distance runners, Bibi-Lotte van der Horst, Jelle ten Harkel and Joana Vitorino who can help you with the technical disciplines.

Tonnie can give you a personal training schedule upon request.

Every Tuesday and Thursday the training starts at 18:00 with a 15 minute warming-up while we run across the campus. When we return to the track we will do some body stabilization exercises and after that another couple of coordination exercises and everyone's own disciplines.

Our wonderful board consists of six people: a chair(wo)man, a secretary, a treasurer, two competition secretaries and a publicity commissioner. After the warming up they will make some announcements, for example about upcoming competitions.

Besides the track practices, we have some other practices:

- Monday: Strength training 17:30-19:00, every week 10-12 people can join, subscription is via the website. It takes place at the building near the track.
- Tuesday: Track 18:00-20:00
- Thursday: Track 18:00-20:00

Every member of Tartlétos pays the annual membership fee of 31,50 euros. The exact amount is determined at the annual General Members Meeting. You can also choose to obtain a competition license from the athletics federation, this costs about 43 euro's extra each year. The advantages are numerous: a free athletics association magazine, discounts at several competitions, 25% discount on courses and clinics organized by the athletics federation, and last but not least you can join the Tartlétos competition team.

Tartlétos is so much more than just athletics. There are many activities like dinners, a Tartlétosweekend, new years activity, bowling and so on where you can experience the real meaning of the Dutch word "gezelligheid". Several committees organize these activities. If you like to join one of these committees you are more than welcome.

If you have any other questions, feel free to ask the board or visit our website www.tartletos.nl or our facebook or instagram page.

Have fun!

Important announcements concerning activities

When you signed up for an activity and you want to cancel, you can do this till the cancellation date (usually this is the same as the last day when you can sign up for the activity). If you do this after this date, you need to pay 50% of the costs of the activity, excluding circumstances beyond one's control.

The organizing committee needs to give a reasonable expectation of the costs of the activity. Unforeseen costs due to unintentional damage (i.e. damage of the accommodation or the car) is split between the participants. Possessions of members fall under your own responsibilities. When lending a possession, it is recommended to set arrangements with someone.
